Very clear structure to classes, helpful comments on work, very good at answering questions.
Excellent teaching, often times even more insightful than the lectures.
He is the best teacher I have ever had. He is extremely clear. He gives both the intuition and goes through the maths very thoroughly! He should be awarded a teaching award. Again he is a lot clearer than the lecturers.
Very good
Very helpful classes. Thanks !
Thank you Ole
Class group 5
Good at explaining how we should formally answer
